

4th Edition **SUSTAINABLE TEXTILES SUMMIT**

**"Innovating Towards a Sustainable Future:
Collaborative Strategies in the Textile Industry"**

17th
September 2025
PHD House, New Delhi

The 4th Edition of the Sustainable Textile Summit, scheduled for 17th September 2025 in New Delhi, aims to further the dialogue on sustainability within the textile sector by bringing together major textile brands, industry leaders, policymakers, and foreign missions.

Objectives:

- Engage leading brands as partners and speakers to showcase sustainable innovations and inspire stakeholders.
- Foster industry-government-global partnerships for a unified approach to textile sustainability.
- Provide a platform to showcase cutting-edge sustainable technologies, materials, and practices.
- Facilitate discussions on regulatory frameworks to drive sustainable growth in textiles.
- Invite foreign missions to share global insights and foster international collaborations.
